

LIBRARY OF CONGRESS
WASHINGTON

F

OFFICE OF THE LIBRARIAN

March 4 1907

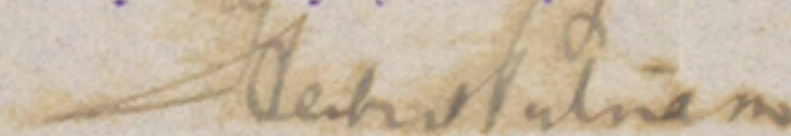

Dear Sir:

I have this morning your inquiry as to the by-laws of the Library, manner of consulting catalogues, and as to the material in the Library relating to Mexico.

All of these questions we should be very glad to answer, except that to answer the latter completely we should have to send you a list of the books themselves which would be a very long one.

I suggest as a better course that you should call at my office and I will see that you gain the information which you desire as to the by-laws and method of consulting the catalogue; and shall also be glad to give you opportunity to acquaint yourself with the collection itself.

Very truly yours,

Librarian of Congress

Señor V. Salado Alvarez
Mexican Embassy
Washington, D.C.
