

Privy Council Office,
Whitehall, S.W.

18th June, 1954

Dear Senor Basave,

It was very kind of you to suggest that I should be featured in your newspaper in the "World Celebrities" series.

Much to my regret, I do not have available any curriculum vitae other than the sort of brief factual entry which the United Kingdom "Who's Who" publishes annually: and I very much regret that, amidst the cares and stresses of a busy ministerial life, I would find myself unable at the present time to work up anything which would be of use to you for the purpose you have in mind.

I know that you will understand the position in which I find myself at present: and will excuse me at this time from fulfilling an otherwise agreeable duty.

Yours faithfully
Salisbury
