Dear Sir:

Thank you for your letter of August 16th addressed to President Syngman Rhee. I regret being unable to reply sooner.

Enclosed you will find a photograph suitable for publication and a copy of a biography by one of the greatest non-Korean authorities on modern Korea, Dr. Robert T. Oliver, author of the book, SYNGMAN RHEE, The Man Behind the Myth.

We wish your publication every success. Feel free to make use of the enclosed material to best advantage, either in whole or in part. It was very kind of you to ask for it.

Yours sincerely,

C. J. Yu
