According to your letter of 20 th May 1950, my uncle,  
Dr. August Weber, London, asked me to send you his short  
biography, an autograph and a photo. As my English is rather  
poor, I include it in German and English language, as you  
certainly have a member in your office, which will be able  
to translate the sketch properly.

Hoping that the encludings are sufficient

Yours sincerely

Dr. A. Weber
