PLAZA HOTEL

FLORIDA ESQ. CHARCAS

BUENOS AIRES

August 28, 1910.

My dear Colleague:

I have already  
thanked you orally for  
the two brochures which  
you were so good as to  
send to me, entitled -  
"Breve Noticia de Algunos Manu-  
scritos de interés histórico para  
México", etc.; and

"La Conjura de Aaron Burr y  
las Primeras Tentativas de  
Conquista de México por Americanos  
del Oeste."

I am not sure whether  
I have expressed my thanks  
in writing; but, even if  
I have done so, I would

rather write twice than  
not at all.

Let me assure you  
that I greatly appreciate  
your courtesy, and  
that I am very happy  
to possess these substantial  
results of your careful  
historical researches,  
which will no doubt  
be useful to me in the  
future.

I desire to add that  
I have had much pleasure  
in meeting you and  
your associates in the

Mexican delegation in  
the Conference. It would  
afford me high gratification  
to visit Mexico; but, if  
I should not have the  
good fortune to be able  
to pay such a visit in  
the near future, I  
trust that I may see  
you in the United  
States before many months  
have elapsed.

Believe me to be, My dear  
Colleague, with the highest  
regard,

Very faithfully yours,

To  
John B. Moore.
