Dear Dr. Basave:

I am in receipt of the newspaper clipping for which I want to thank you. I regret very much to say that my book on "Humus" is no longer available and I am, therefore, unable to send you a copy. However, I am sending you, under separate cover, several reprints presenting a summary of my work on humus which may be of interest to you.

With best wishes, I am

Cordially yours,

Selman A. Waksman

Chairman, Microbiology Dept.
