Dear Dr. Agustin
Basave,

Many thanks for kindly
sending me the cutting from
"El Norte" of my life sketch
which you so kindly published.
This is the beginning of your
contact, and I hope we
will continue to keep in
touch with one another. I
have many friends and
acquaintances in many
parts of America.

I am enclosing herein a few
Hyderabad and former British
Indian stamps. The latter
are not changed as yet by
the Indian Dominion.

With kind regards,

Yours sincerely
D. Sajeeuddin
Prof. of Botany.
