RAREST OF LARGE SHELLS

Dear Mr. Basave:

Thank you for your letter of May 5th. I am enclosing some autographed photos of myself. You may use whichever you prefer. I also enclose a condensed biographical sketch which may serve your purpose. However, I have recently completed the MS of a book of my autobiography and if you feel that you would care for additional material I will be glad to send you some of the chapters on the book.

Very sincerely

A. Hyatt Verrill
