Mexico.

Dear Mr. Basave:-

In clearing  
up one of my tables, I  
came across your note  
under date of May 12<sup>th</sup>. I  
beg to apologize for the  
oversight, which was not  
intentional.

I am sure you have  
access to a copy of  
"Who is Who in America"  
or "Who is Who in the World"  
at the library of your city.  
Therein you will find  
all the information  
you seek regarding  
myself.

Very truly yours,  
Cadwalader Washburn
