Dear Dr. Du Solier:

I am venturing to write to ask you if you have a reprint of your excellent paper on the Huastec frescoes published in Cuadernos Americanos, No. 6? I am particularly interested in this and would very much like a copy for the Library of the Peabody Museum. I should be very glad to send you something in exchange if you will indicate what you would like from the Papers of the Peabody Museum.

Very truly yours,

D. C. Leonard
