Dear Mr. Kohler:

It was thoughtful of you to send me the
tear sheets from COLLEGE ENGLISH. Your
article, I believe, is the first really
critical study of my books.

It is impossible, of course, for me to
say whether you're right or wrong, but I
do want you to know I thought your comment
was thoughtful and generous.

Sincerely,

A handwritten signature in cursive script that reads "A. B. Guthrie, Jr.".
