

HOTEL ARAGON

FORSYTH ST AT JULIA
JACKSONVILLE, FLA.

20th of Feb.

Dear Dayton,

Discovered your excellent article on Richter in The English Journal. Once when I called on Elizabeth Madox Roberts she had just read "The Trees" and praised it. She sat fondling the volume in her hand with wonder and remembered delight.

"Deserta Arabia" was returned to YPL. library about a month ago. I lately read Josephson's "Stendhal." My regards to Mrs. Kohler and sons three.

James Still
