Dear Sir:

In response to your letter I am sending to you as requested two different resumes of my work. The short one was prepared by my secretary, Miss Howard. The longer one, however, was prepared wholly without reference to me by the officers of the Franklin Institute, Philadelphia, at the time in 1937 that they awarded me their Franklin medal. You can use either one of these as you find most convenient.

Very truly yours,

Robert A. Millikan

My secretary is sending you a photograph.
