

Blog Entry

Operational definition. discursive genre which aims to share thoughts and explanations on topics of interest to the author. Even though it is written in a professional manner, it can show conversational features, such as the use of the first person which warms the content shared on the Internet.

Structure elements

1. Entry title: should be brief and appealing.
2. Deductive organization (from general to specific), separated by paragraphs, no subheadings needed.
3. Variable length (400 to 500 words is recommended).
4. Dashed text: hyperlinks, images, and videos.....supplementary.

General recommendations

1. Use standardized language, understandable to most readers.
2. Avoid the use of emoticons or any SMS language.
3. Avoid ostentatious language; Be direct.
