

Portuguez-Castro, M. (2023). Appendix 14 of the Technical Report Project Open Educational Model for Complexity (OEM4C): Project Webpage.

Appendix number & project name - stage	Appendix 14 - OEM4C - Stage 1
Name	Project WebPage
Responsible	May Portuguez-Castro
Evidence name	Report technical information and deliverables (Dominio, Platform, Identity, web link, Vídeos, social networks, etc)

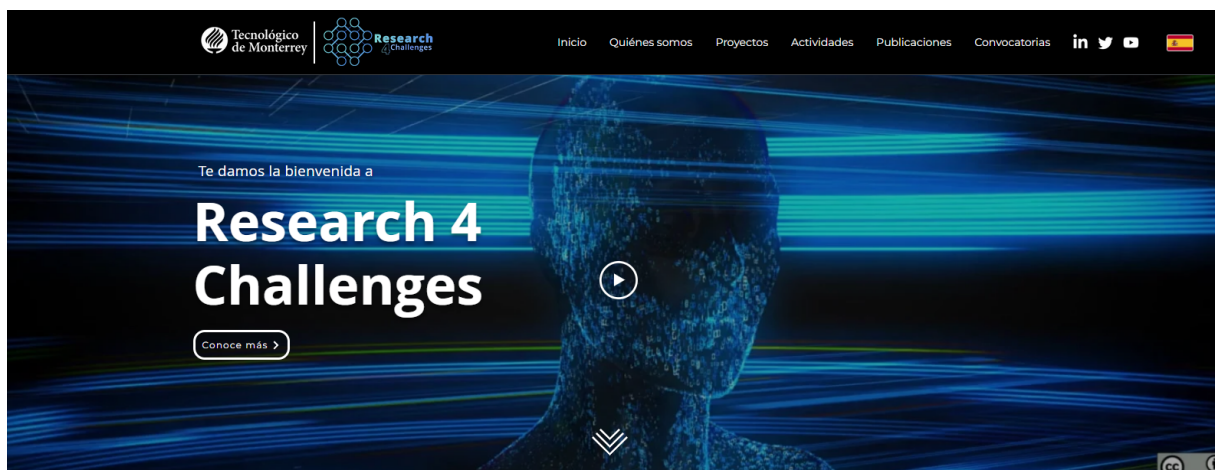

Support evidences

Enumerar evidencias que sustenten el reporte (capturas de pantalla, presentaciones o posibles ligas a otros documentos)

1. Website domain: <https://www.research4challenges.world/>
2. Logo

3. Homepage: The website features a video that provides an overview of the project and invites participation in the activities.

Construimos el futuro de la educación a través de diversos proyectos encaminados al desarrollo del pensamiento complejo vinculado con la tecnología

The progress in terms of the number of researchers, publications, and projects is presented interactively.

4. Website structure: The website is organized into five sections that showcase who we are, project descriptions, activities, calls for participation, and publications.

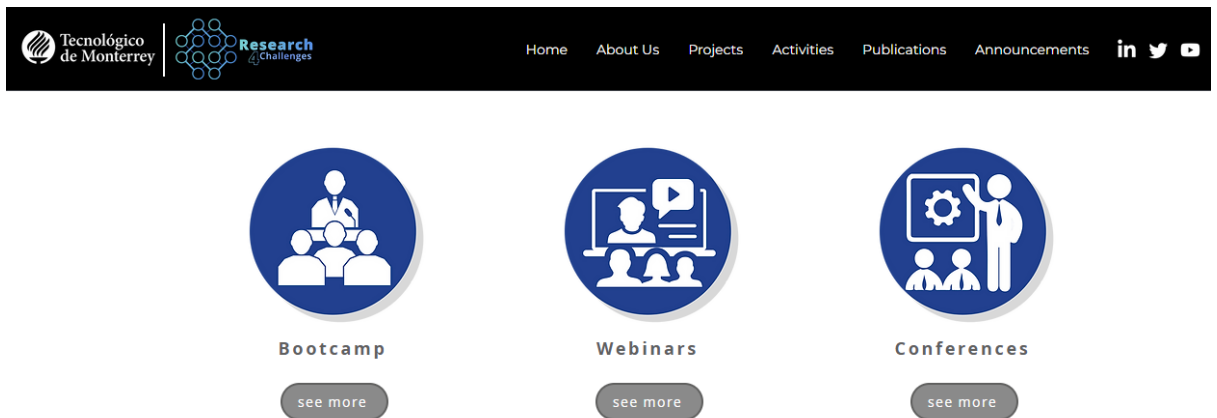

5. Projects: Each project has a dedicated page where the objective, mission, vision, and team members of each project are described.

-Complex Thinking: Open Educational Model for Complex Thought
<https://www.research4challenges.world/en/complex-thinking>

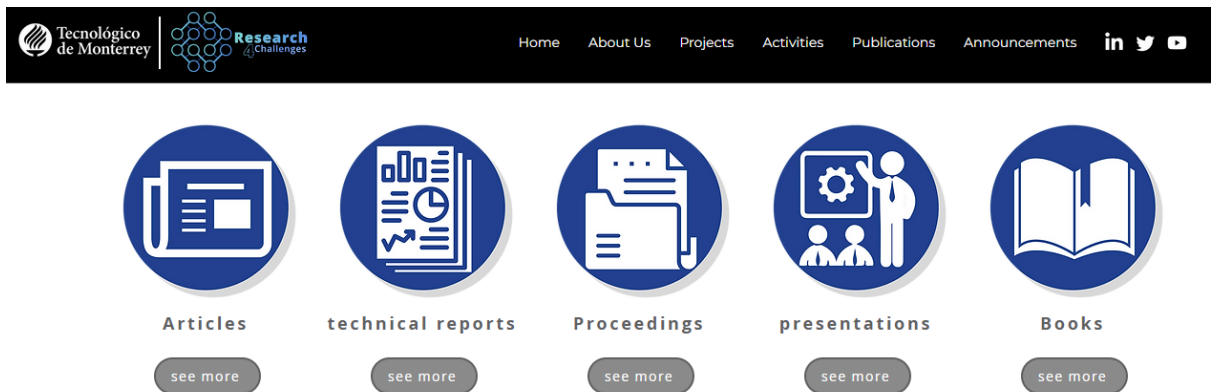

The screenshot shows the website header with the logo of 'Tecnológico de Monterrey' and 'Research Challenges'. The navigation menu includes 'Home', 'About Us', 'Projects', 'Activities', 'Publications', 'Announcements', and social media icons. The 'About Project' section is active, showing a navigation bar with 'About Project', 'Mision y vision', 'Objetivos', and 'Project members'. The main content area features a large image of a man's profile with binary code and the title 'Complex Thinking' and subtitle 'Open Educational Model for Complex Thought'.

We are developing an open educational model that promotes complex thinking skills from a critical, analytical and proactive perspective, and thus meet the needs of the company and society.

6. Activities :The website showcases various activities that will be carried out as part of the projects.

7. Publications: There is a digital library available on the website that contains publications generated from the different projects.

8. Participants: The collaborators of the different projects are presented on the website with their photograph and biographical information.

9. Social Media:

Twitter <https://twitter.com/Research4C>

The image shows a screenshot of the Twitter profile for Research4Challenges. The header features a blue navigation arrow, the name "Research4Challenges", and "4 Tweets". The profile picture is a circular logo with a network of blue nodes. The banner image depicts a robotic hand pointing at a glowing brain icon within a circular interface, set against a dark blue background with a network pattern. Below the banner are icons for more options, messages, and retweets, along with a "Siguiendo" button. The bio states: "Buscamos fortalecer habilidades y el aprendizaje a lo largo de la vida a través de proyectos educativos que fomentan el pensamiento complejo." It also includes the website "research4challenges.world", the date "Se unió en mayo de 2023", and "43 Siguiendo 3 Seguidores".

LinkedIn <https://www.linkedin.com/in/research-4-challenges-814b0a275/>

The image shows a screenshot of the LinkedIn profile for Research 4 Challenges. The banner image is similar to the Twitter profile, showing a robotic hand and a glowing brain. The profile picture is the same circular network logo. The header includes the name "Research 4 Challenges" with a "1er" badge, the affiliation "Tecnológico de Monterrey", and the description "Grupo de investigación interdisciplinario". The bio lists topics: "#research, #educación, #tecnología, #investigación y #innovaciaejneducativa". It also provides the location "Monterrey, Nuevo León, México", a link to "Información de contacto", and "26 seguidores · 20 contactos". At the bottom, it shows "José Carlos Vázquez Parra, Miguel A. Montoya B. y 1 contacto en común más" and buttons for "Enviar mensaje" and "Más".
