METRO-GOLDWYN-MAYER

STILL IN HER TEENS...Elizabeth Taylor possesses in striking degree those three attributes necessary for stardom...talent, beauty and personality. Chronologically and cinematically the three have kept pace. Following her "growing up" role in "A Date With Judy," she was selected for a romantic role opposite Peter Lawford in "Julia Misbehaves." She is now five feet four inches in height, weighs 108 pounds, has deep-brown hair, and clear blue eyes heavily fringed with black lashes.
