Walt Johnson

2/10

2 Cal

FRIENDLY VAN...There's always a grin and a sturdy handshake for everyone from Van Johnson. Following roles in "Scene of the Crime," "Battleground," and "The Big Hangover," the young actor turns to light, romantic comedy in Metro-Goldwyn-Mayer's Technicolor musical "Duchess of Idaho," teaming with Esther Williams for the first time since "Thrill of a Romance." Robert Z. Leonard directed, Joe Pasternak produced.
