Dear Mr. Basave:

Ma<sup>n</sup>ny thanks for the very fine biographical note published in your paper EL NORTE. I assure you I am very proud that you included me in your series, CELEBRIDADES MUNDIALES.

Enclosed I am sending you with dedication and autograph, as you were kind enough to ask me for, one of my books, EL ERROR, in Spanish. I should be glad if you would like it and will certainly welcome your literary note on it. With kindest regards,

Yours very sincerely,

Ferenc Körmendi
