To Arq. Augustin Besave
Chief Editor, EL NORTE
APDO. 186. Monterey, N.L. Mexico.

Dear Sir,

In reply to your letter of March 2/50 asking for biographical data and a foto, I am sending the enclosed for your Gallery of "Famous world personalities".

The World Biography, and Whos Who in the U.S.A. will furnish you with much more information, if desired, but doubtless the folder and additional items will suffice. For more intimate material there are the National Biographies, which you probably have access to. I am happy and honored to be included among your Biographical sketches.

With all good wishes, I am Sincerely yours

Grace Thompson Seton
