Zacatecas No. 218
Mexico, D. F.

Dear Sir:

Unfortunately we do not have a photograph available of the Huastec sculpture mentioned in your letter of June 3. This piece does not belong to the Brooklyn Museum collection, and therefore we are not supposed to supply photographs of it without permission of the owner. I will, however, prepare a rubbing of the design and send it to you.

Your discovery sounds most exciting.

Very sincerely,

Herbert J. Spinden
