Mr. G. R. G. Conway  
Marshall 47  
Mexico, D. F.

Dear Mr. Conway—

I am taking the liberty of writing you because I am very much interested in your Mexican researches. My friend Fernando Del Castillo told me about the Hernando Alonzo monograph, which I have ordered. But I'd like to know where you have published your other studies, and perhaps some day you will allow me the privilege of seeing your famous library.

Please forgive my informality; it is due to a real interest.

Yours sincerely,

Giitta Brenner
