Sr. Emilio Amores Canals,
Director de la Escuela Preparatoria del
Instituto Tecnológico de Monterrey,
Monterrey, N.L., México.

Dear Senor Amores:

I want to take this opportunity to thank you, the Rector of the Instituto Tecnológico, and your colleagues who gave their time to showing me the Instituto and the city of Monterrey. I am especially obliged to you for arranging such an interesting and informative program. I would like to say once again that I am very impressed by the growth in a small space of time of the Instituto from such small beginnings to a beautiful and flourishing campus, with an active program and plans for further growth.

If you come to Washington, I hope that I may reciprocate your hospitality.

Yours sincerely,

Herbert Leaderman
